NURE Course Re- Entry Application for Generic and LPN to RN Track

Students who have not maintained the published sequence of nursing curriculum courses are required to seek re-entry. Once a student is out of sequence with the NURE courses, there is no guarantee of re-entry back into the course.

The break in sequence may be due to:

- Course withdrawal
- Course failure
- Students who have successfully passed a nursing course, but have chosen not to enroll into the next NURE course

Available re-entry seats are offered in the following order:

1. Students who have withdrawn from a course due to an approved extenuating circumstance (Approval of the Dean is required, along with documentation supporting extenuating circumstance).
2. Out of sequence students and students applying after course failure/course withdrawal, ranked in GPA order.

Important eligibility requirements to apply for Re-entry:

- Students must have a minimum Union County College GPA of 2.5 for re-entry consideration.
- Students with more than two NURE course withdrawals are not eligible for re-entry consideration.
- Students who have not been enrolled in a nursing course for **three consecutive semesters** will need to apply for NURE 130. Students must follow all applications requirements for NURE 130.
- Students who have not been enrolled in a nursing course in the LPN to RN track for more than one year will need to apply to repeat NURE 211 and NURE 212 and follow the curriculum sequence. Students will follow all application requirements for NURE 211 and NURE 212.
- Students who have two nursing course failures are **not** eligible for re-entry
 - However, students who have two nursing failures and applying to return to the last course in the Generic Track curriculum (NURE 232) or NURE 280/290 (LPN to RN track) may apply for Readmission. The Readmission policy can be found in Trinitas School of Nursing Student Handbook.

Requirements for Re-entry Consideration

- A. Course withdrawal due to approved extenuating circumstances** (Approval from Dean prior to course withdrawal):
- Submit documentation of extenuating circumstance with re-entry application.
 - Submit current unofficial UCC transcript from Webservices with application.
 - Submit application by published deadline.
- B. Out of Sequence Students** (students who have not maintained the published sequence of curriculum courses) and **Course Withdrawal/Course Failure:**

- Submit current unofficial UCC transcript from Webservices with application.
